

NCARB ARE 5.0 Reference Matrix Linked

This document is prepared based on NCARB's DRAFT ARE 5.0 Guidelines for Testing with PSI. Please visit [here](#) to access the original document. Please pay extra attention to the reference materials highlighted by NCARB with the star symbol since they are the most referenced materials in ARE questions.

All references are linked to an online source (downloadable pdf or a purchase site). Click on the material to access the web page.
